Mr. Jeff Solan, Superintendent  
Cheshire Public Schools  
29 Main Street  
Cheshire, CT 06410

Dear Mr. Solan,

**RE: Green Cleaning Program – Annual Letter**

Public Act #09-81 concerns Green Cleaning Products in Schools. This correspondence is your yearly notification that the Cheshire Public Schools maintains a Green Cleaning Program for the cleaning and maintenance of all school buildings in the district. All cleaning products meet certified environmental standards approved by the State Department of Administrative Services in consultation with the Commissioner of Environmental Protection.

Available at your school facility in the main office is the following:

1. Letter from cleaning contractors and suppliers verifying the products they supply and use are green seal certified.
2. Complete list of green cleaning products.
3. MSDS (Material Safety Data Sheets) of all cleaning products.
4. Cleaning schedule and scope of work

A complete Green Cleaning Program is available at the Office of Management Services and the Office of Buildings and Grounds. Annual Green Cleaning Program letters will be released in the month of September of each school year.

**In accordance with the Public Act #09-81, NO CONSUMER PRODUCTS which are intended to clean, deodorize, sanitize or disinfect may be brought into school facilities by teachers, staff members, parents or guardians.**

For more information, questions or concerns please contact the Office of Buildings and Grounds at (203) 250-2574.

Respectfully,

Victor Sandoval

**Re: Green Cleaning Products**

Dear Sir/Madam:

The Cheshire Public School System is currently being cleaned by Performance Environmental Services, LLC, in accordance with the State of Connecticut bill #6495, utilizing green cleaning products supplied by Next-Gen Supply Group formerly M.D. Stetson Company of CT. This is AN ACT CONCERNING GREEN CLEANING PRODUCTS for the State of Connecticut. Cheshire Public School System is currently using third party certified products wherever possible.

A list of currently used chemicals, paper, and plastic liners now being supplied is available. This is not all inclusive of their cleaning programs. They currently use HEPA Backpack vacuums and automatic scrubbers to maintain their building.

Do not hesitate to contact me if you need more assistance in this matter.

Sincerely,

*William Thomas*

Vice President of Operations
